Provincial Council approved a motion, to offer ten scholarships to the Associates of OMI Lacombe Canada; two for each of the five Districts of OMI Lacombe Canada. The Province has offered to pay 50% of two full scholarships for two Associates from each District each year. It is our hope that Associates who participate in the program will share their knowledge and insights with the members of their BOC & District, and be a source of animation & formation for others interested in becoming Associates of OMI Lacombe Canada. **Please note that the above scholarships are available to all members of Lacombe Province (Associates & Vowed Oblates).**

*Blessed are they who respect my bony hands and my deformed feet.  
Blessed are they who talk to me even though I have trouble hearing what they say.  
Blessed are they who understand that my vision is starting to blur and my thoughts are becoming confused.  
Blessed are they who, in wasting time talking to me, keep smiling.  
Blessed are they who never say: "That's the third time you've told me that story!"  
Blessed are they who tell me that they love me and that I am still good for something.  
Blessed are they who help me to live the autumn of my life. (author unknown)*
