A note from Father Garry LaBoucane, OMI:

Father Gordon Cook, OMI and I visited Father Gerry Guillet, OMI yesterday. He is doing very well in adjusting to his new surroundings. He was transferred a few days ago to another wing of the Chilliwack General Hospital. He is no longer able to return to assisted living in the Logan Manor. He now requires residential care so he currently resides at:

Bradley Centre - 45600 Menholm Road, Chilliwack, BC V2P 1P7

You can phone him at: **604-795-4130**. Just ask the receptionist to speak to him and someone will take the portable phone to him. His own phone is not working, and he no longer uses his computer. He is now on the waiting list for residential care in Glenwood, which is attached to Logan Manor in Agassiz. That may take up to a year. I know he would enjoy visitors and mail as well.

FINANCIAL REPORTS ... *Thank You!* to all who submitted their Financial and GST Reports for 2017. *Terry Conway OMI*
