# COMMUNITY DAYS – OCTOBER 21 & 22, 2021

*Dear Community,*

*It was just so very good to be together as a community and to have this meeting together. We have been out of touch for almost too long and I hope that we will be able to gather together again soon. It was so good to have the Provincial-Ken, and the Council-Richard, Harley, Susai and Les with us as well. We did look at some very important issues concerning our community and my prayer is that we will be able to stay together for a long time yet. Let us all try to work together for this end. Thanks again to the Provincial and Council for being with us and also for the Oblate Associates . We always love to have you with us.*

### **Queen's House News: Brendan Bitz, Director**

Wow! November already. Very hard to believe. It was so very enjoyable to host our Oblate Family in October. Great care was taken to keep everyone safe and the sense of normal was unmistakably present as we appreciated and entered into the presentations by our Leadership Team. It was a reminder of how fortunate we are as a community.

We continue to work hard to navigate our way through the continued slowdown as our extended community sorts itself out and stays safe in the process as our collective challenge of encouraging the merits of vaccination continues. Prayers for peace, calm, cooperation and understanding have been helpful and are most encouraging. Our Snowball Fling Raffle is full tilt as we continue to promote our Gala-to-Go and Auction. Again, we invite you to participate in these important activities.

## **Ride, Bike and Zoom 2021**

## **Thank-you September Movers!**

We are grateful to Father Paul Fachel, & Father Bill Stang as our committed event leaders. I walked with Father Paul this year around the pond near Trinity Manor which concluded with a 3 o'clock coffee @ Trinity. Father Bill Stang walked an outstanding 16 hours and covered 51 miles in support of Queen's House. These two men are a significant part of this event, and many people are motivated because of them. Thank-you both so much!! Many others also jumped on a bike or a sidewalk; they include bikers which are the Bitz family - intergenerational squad, Paul Hnenny, Sylvia Obrigewitsch, Ivan Hitching, Dave Henderson, walkers Art & Janet Postle and other friends of Queen's House. Each dollar and each kilometer all contribute to supporting the mission of outreach and the ministry of hospitality at Queen's House. The numbers so far indicate over \$10,000 was collected which is wonderful considering these somewhat uncertain times.

**On behalf of our Oblate Community, we thank you!**  
**God bless!**
