# Dear Oblate Family and Friends,

Prayer is a time to honestly reflect on our lives and those we care about deeply and express our innermost thoughts to God asking for guidance, for deliverance, for intervention, for healing, for help. Prayer brings us closer to God and to others as we reveal our fragile vulnerability.

We invite you to share your personal intentions with the Missionary Oblates of Mary Immaculate on the enclosed card to be honoured during our Novena of Prayer being held March 19-27. For nine days, a Mass will be celebrated by a specifically chosen Oblate as listed in the Novena booklet. Together, the Oblate Missionaries and we, the partners of MAMI, will pray together in spirit as one family.

These past few years have been particularly challenging for each and every one of us in so many ways and have been all the more devastating, especially for the poor here in Canada and around the world. Amidst all this pain, we know we are not alone, we have hope, we pray and through it all, we continue to take care of those most in need as best we can together. May God grant us all much needed healing.

Gratefully,

Diane Lepage

Glenn Zimmer, OMI
