### **Queen's House News – Brendan Bitz, Director**

Covid truly is proving itself to be a rascal not easily tamed. Despite the reoccurring challenge of the effects and impact of this virus, we continue to work with the uncertainty that this creates within our community. We are so grateful for all our guests and groups who continue to visit, to follow the simple, proven strategies that reduce risk, and express their gratitude whenever they visit for this ministry. We are ever mindful of the awful circumstances being unleashed in the Ukraine. We are grateful for the work of our First Nations Delegation to Rome and the participation of our partners at the Guadalupe Parish and our Diocese in our Prayer Circle of Support for the work of reconciliation. We remain ever committed to the important work of the Synod and the grace that is supporting this vital community building process. These all point to the unusual times we are in and the call we have to ever deepen our commitment to faith, prayer, each other and especially our loving God. As always, we hang onto our refrain to say, “we will do what we can with what we have and who we are”.
